GEMVIS ADDS PRODUCTION SPACE

MONTREAL, May 17 2005 - GEMVIS, the leader in metal fabrication, is pleased to announce today that it has added significant production area to its current facilities.

In order to support its growth, GEMVIS has secured additional adjacent production facilities, thereby ensuring that its customers' orders remain streamlined.

GEMVIS, an innovator in metal fabrication, serves the production and prototyping needs of corporations worldwide. Founded in 1994, GEMVIS maintains leadership positions in laser cutting, tube cutting and metal fabrication. The Firm is headquartered in Montreal, Canada, with regional sales offices in Virginia, USA. For further information about GEMVIS' services, products and recruitment opportunities, please visit our Web site at www.gemvis.com.
