GEMVIS INVESTS IN BENDING CAPACITY

MONTREAL, October 8 2001 - GEMVIS, the leader in metal fabrication, is pleased to announce today that it has added substantial bending capacity to its production facilities.

The added bending capacity will enable GEMVIS to strengthen its range of turnkey metal fabrication services, ensuring that its customers' projects benefit from in-house costing.

GEMVIS, an innovator in metal fabrication, serves the production and prototyping needs of corporations worldwide. Founded in 1994, GEMVIS is a leader in laser cutting and metal fabrication. The Firm is headquartered in Montreal, Canada. For further information about GEMVIS' services, products and recruitment opportunities, please visit our Web site at www.gemvis.com.
